Re: City Ordinances

Enclosed are the recently passed City of Druid Hills Ordinances which authorize the FY 2015/2016 City budget and the 2015 property tax rate. Other ordinances and permit applications can be found on the City's newly redesigned web-site, druidhillsky.gov.

We are sending these to you because Kentucky Commonwealth statutes require the City to periodically either mail or publish (in a local newspaper) this information to all our residents. Please keep them handy as a quick reference guide.

The City of Druid Hills follows all Metro Louisville ordinances and any areas not specifically addressed in Druid Hills' ordinances should be referred to the appropriate Metro agency. Information about Metro ordinances can be found by calling Metro Call 311 or on-line at louisvilleky.gov/metrocouncil/legislation.

On another note, please see the enclosed "Save the Date" flyer for the City's annual Block Party scheduled for Sunday, September 20th from 2-5 pm.
